What is Planned Giving?

Planned giving is a strategy that helps donors maximize the personal benefits of their charitable giving and makes extraordinary gifts possible. Gift or estate planning enables donors to integrate generosity with tax planning to attain mutually beneficial outcomes.

Through careful planning it is possible to reduce or virtually eliminate income taxes such as capital gains and transfer taxes.

Planned Giving is a long-term development strategy that will maintain the legacy of giving created through the Foundation.

Leave A Lasting Legacy... Preserve the Future of the Association Through Giving The Indiana Auctioneers Foundation will be a permanent source of funding to support the Indiana Auctioneers Association. Mission: The Indiana Auctioneers Foundation provides funding to the Indiana Auctioneers Association to advance and enrich the auction community. The Indiana Auctioneers Foundation • The Foundation is a 501c3 entity that allows for tax deductible contributions to ensure a long lasting stability for the Association. • The Foundation creates opportunities for both short-term and long-term gifting for auctioneers and their families, through wills, estates, trusts and contributions. • The Foundation provides memorial gifting for your loved ones. • The Foundation grants scholarships to our future generations.
